

Introducing a Muslim group in Canada that works to change attitudes toward Islam in their community, this study goes behind the scenes to look at the conflicts and dilemmas within the group itself, which is diverse in its view of the hijab and other practices. The conclusion shows that this team of Muslims has been very successful in developing several educational initiatives because of their own experience in negotiating internal differences in ways that did not fragment the group.

Pennsylvania, province and state (v.2): a history from 1609 to 1790, Developments in British Politics 6, The Words of Harry S. Truman, Confucian Ethics of the Axial Age: A Reconstruction Under the Aspect of the Breakthrough Toward Postconventional Thinking (SUNY Series in Chinese ... (SUNY Series in Chinese Philosophy & Culture), A Community on Trial: The Jews of Paris in the 1930s, 50 affaires criminelles qui ont marque la France (Histoires vraies) (French Edition),
